## Nuclear Materials Management and Safeguards System (NMMSS)

NMMSS 2021 Annual Users Training (September 20-23, 2021)

Name (Optional): \_\_\_\_\_

**Affiliation:** Federal Employee  NRC Licensee  NNSA DOE/Contractor

Please provide your assessment of the following areas by marking your response of either Met Expectations, Partially Met Expectations, or Needs Improvement.

	Exceed Expectations	Met Expectations	Needs Improvement	Comments
<b>Virtual Training</b>				
<b>Virtual Platform (Zoom)</b>				
<b>Presenters</b>				
<b>Timing</b>				

Which topics were your favorite (and why)?

Were the times zones of the virtual event accurate?

Were the scheduled length of presentations and breaks satisfactory? Should they be longer or shorter?

What specific training or discussion topic(s) would you like to see covered at the NMMSS 2022 Annual Users Training?

Any Additional Feedback? Thank you!
